

Members of the TESLA Technology Collaboration, TTC

Status: May 2, 2018

- CANDLE, Yerevan
 - Yerevan Physics Institute, YerPhI
-

- TRIUMF, Canada's National Laboratory for Particle and Nuclear Physics
-

- Institute for High Energy Physics, IHEP
 - Tsinghua University
 - Peking University
 - Institute of Modern Physics, IMP
 - Shanghai Institute of Applied Physics, SINAP, Shanghai
-

- CEA/DSM, Saclay
 - CNRS/IN2P3, LAL Orsay
 - CNRS/IN2P3, IPN Orsay
 - SC Synchrotron Soleil
-

- Helmholtz-Zentrum Berlin, HZB
 - Technische Universität Darmstadt
 - Universität Frankfurt am Main
 - Helmholtz-Zentrum Geesthacht, HZG
 - Deutsches Elektronen-Synchrotron, DESY
 - Universität Hamburg
 - Helmholtz-Zentrum Dresden-Rossendorf, HZDR
 - Universität Rostock
 - Bergische Universität Wuppertal
 - Johannes Gutenberg Universität Mainz
-

- Science and Technology Facilities Council, STFC
 - Royal Holloway, University of London
 - University College London, Department of Physics and Astronomy
 - The John Adams Institute for Accelerator Science
-

- Raja Ramanna Centre of Advanced Technology, RRCAT
 - Bhabha Atomic Research Centre, BARC,
 - Inter-University Accelerator Centre, IUAC & Delhi University, DU
 - Variable Energy Cyclotron Centre, VECC
-

- INFN Frascati, LNF
 - INFN Legnaro, LNL
 - INFN Milano, LASA
 - INFN Rome II
 - Sincrotrone Trieste
-

- High Energy Accelerator Research Organisation, KEK
 - RIKEN Nishina Center (RNC) for Accelerator Based Science
-

- Rare Isotope Science Project (RISP), Institute for Basic Science (IBS)

European Organisations

- The Henryk Niewodniczanski Institute of Nuclear Physics
- Akademia Górniczo-Hutnicza
- National Centre for Nuclear Research – Swierk
- Institute of High Pressure Physics, Warsaw
- Uniwersytet Warszawski
- Politechnika Lodzka
- Warsaw University of Technology, ISE

- European Spallation Source, ESS

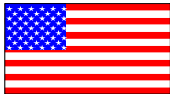

- Moscow Engineering Physics Institute, MEPHI
- Budker Institute for Nuclear Physics, BINP
- Institute of High Energy Physics, IHEP-Protvino
- Institute for Nuclear Research, INR,

International Organisations

- European Organisation for Nuclear Research, CERN

- Argonne National Laboratory, ANL
- Fermi National Accelerator Laboratory, FNAL
- Cornell University
- Thomas Jefferson National Accelerator Facility
- Stanford Linear Accelerator Center, SLAC
- Lawrence Berkeley National Laboratory, LBNL
- Michigan State University, MSU
- Oak Ridge National Laboratory, ORNL-SNS
- Brookhaven National Laboratory, BNL

- Joint Institute for Nuclear Research, JINR, Dubna

- Uppsala University
